The Mid-South Tribune’s Endorsement of Judge Brett Kavanaugh

WE endorse Judge Brett Kavanaugh to sit on the Supreme Court of the United States of America.

WE support Judge Kavanaugh’s Opening Statement at his hearing before the Senate Judiciary Committee on Thursday, September 27th.

WE stand by his every paragraph, his every sentence, his every word, and every letter of his Statement. We stand by the Judge’s compassionate defense of his family, his values, and of himself as a man—as a human being.

Not only do WE commend Senator Graham on having the courage and guts to speak out against the low and immoral tactics used by Democrat Judiciary committee members, but we welcomed

the senator's outrage against a party which is no longer the Democrat Party of America's traditional and much-envied two-party system, but is now a party of the Resistance.

That Resistance by its truthful name is now the Democrat Socialist Party. It has and continues to push out and bully members of what was once a party which could agree to disagree.

WE watched in sheer disgust a hearing designed to character assassinate a man and his family.

WE watched Kafka's "The Trial" played out in a room where the Rule of Law should have prevailed, but instead, We watched the accused being judged on having been born on what God made him—a white male—and because he chose to be a Republican, the party which gave this nation the Emancipation Proclamation and every Juneteenth document delivered thereafter. Ironically, it was white males who righted wrong to give this nation the 13th, 14th, and 15th Amendments which freed the slave and served as the basis of the Civil Rights Movement, and the 19th Amendment which gave women the right to vote and to hold office. *Lest we forget.*

WE watched in complete consternation as a Me-Too Movement morphed into an anti-male movement populated with anti-male female protagonists with the same hatred as Herod in destroying every male child.

The Left is now a four-letter word synonymous with HATE.

It is time to end this.

It is time for Judge Kavanaugh to be seated on the Court.

It is time for The People to yell, "I AM SPARTACUS!"
